## SCOUT TRAILS

### Boy Scout Troop 761

Scouts of Troop 761 recently held an outing at Lake Isabella near Kernville where they participated in a weekend of hiking, fishing and numerous activities to accomplish requirements for merit badges.

Scoutmaster Bob Dennis took 18 boys and 4 adult leaders on the weekend trip to the Kern Valley.

The troop is now making plans to go on a combination buddy hike and rock hound field trip to Palos Verdes.

### Boy Scout Troop 201

A meeting was held Wednesday evening for all members of Scout Troop 201 and their parents at the new Scout House located at Carson and Del Amo.

Troop 201 is sponsored by the Madrona School PTA but has been inactive for several months due to the loss of their Scoutmaster. A new Scoutmaster and assistant Scoutmasters have been obtained and are anxious to get this troop active again. The new leaders have many plans for the future, including the Wilderness Camporee to be held May 18, 19, 20.

### Girl Scout Troop 2080

Members of Girl Scout Troop 2080 enjoyed a week-end trip to San Diego recently. The group traveled by chartered bus and were guests of the YWCA during their stay in San Diego.

The troop visited many points of interest including the zoo and also many historical landmarks. Proceeds from various fund-raising activities sponsored by the scouts and troop mothers made the trip possible.

The traveling group included leaders Mmes. Ray Bonawitz, Jim Scott and Lee Prichard; and Scouts Jackie Bonawitz, Christine Brutschy, Sharlene Cairns, Judy Cheatham, Elaine De Orio, Kathy Doran, Darlene Eaton, Diane Freeman, Gwendolyn Hawkins, Nancy Hollerup, Gail Kerns, Nancy King, Karen Mason, Betty Parker, Juanita Atkins, Lurena Pierce, Christine Prichard, Rita Scott, Kathy Steele, Janice Thompson, Lynda Tilley, Cooke Trader, Claudia Whittam, and Camy Cochran.

### Girl Scout Troop 128

Girl Scouts of Troop 128 recently spent a weekend at the Mt. Waterman Girl Scout cabin, Pajarito. Their activities included hiking, sledding, and games. They were accompanied by Mrs. L. H. Voien, Mrs. R. L. Wyatt, Mrs. Jack Harmon, and Mr. and Mrs. S. G. Roberts.

Also among the recent activities were a hay ride, a trip to Aventura, selling calendars and cookies, the Father-Daughter Banquet and the Senior Girl Scout dance. On Girl Scout Sunday, the members of the troop attended the First Lutheran Church, and after a potluck luncheon, went to the Greek Theater for the Golden Anniversary celebration of Girl Scouts.

During Easter vacation a swimming party was held at the home of Mrs. C. T. Rippey Jr., co-leader. Mrs. Voien is leader of the troop which is sponsored by the Torrance Kiwanis Club.

Members of the troop are: Judy Bradford, Danielle De Boer, Darlene Gray, Cindy Geiger, Jackie Harmon, Carolyn Jensen, Mary Kane, Jacquie Megow, Gina Peckham, Kathy Rippey, Nancy Whitcomb, Candy Voien, Nancy Whitcomb, Cindy Wicker, Dana Wolinsky, Linda Wyatt, Sharon Stout, Karen Warner, Bonnie Dalton, Barbara Jeffers, and Janis Albright.

## Rivieran Heading Session

Dr. Charles Owen Hopkins, 639 Camino de Encanto, will be chairman of the first International Congress on Human Factors in Electronics, to be held today and tomorrow in Long Beach at the Lafayette Hotel.

The congress, sponsored by the Institute of Radio Engineers (IRE), professional group on human factors in electronics, will be the first international meeting of its kind. One-third of the scientific and engineering papers included in the programs will be presented by experts in their fields from England, West Germany, and Canada. The U.S. participants will come from all parts of the country.

Dr. Hopkins, senior staff engineer of the display department at Hughes Aircraft Co., lives with his wife and two children.

He attended the University of Kentucky where he was awarded his B.S. degree with high distinction. He then attended the University of Illinois and earned his M.A. and Ph. D. degrees in psychology from that institution. He was nominated University Scholar in psychology at Illinois and was elected to membership in As an engineering psychologist.

Dr. Hopkins is concerned chiefly with problems of integration of human operators into space vehicle systems. He is the author of numerous scientific articles and reports dealing with human factors in space flight. He has collaborated in the writing of several books on psychology and human engineering.

Dr. Hopkins has been associated with Hughes Aircraft Co. since 1965. From 1952-1955 he was assistant professor of psychology at Tulane University in New Orleans.

## World Rule By God Seen By Speaker

"The issue of world rulership will soon be settled in favor of God's Kingdom, the best form of rule for mankind," said Theodore Jaracz, district supervisor, to the 3,090 of Jehovah's Witnesses at their final three-day Circuit Assembly held at the Longshoremen's Memorial Auditorium in Wilmington.

In developing the subject member of the American Rocket Society, a senior member of the Institute of Radio Engineers, a member of the Human Factors Society, and a member of the Society of Sigma Xi, a scientific honorary society.

"Who Will Rule the World," the speaker identified an invisible ruler who has made mankind's lot unbearable.

"THE BIBLE throws the spotlight on the world's irresistible wicked ruler at 2 Cor. 4:4 which exposes Satan as the god of this system of things who exercises a blinding influence on men to further his wicked aims," Jaracz said.

After explaining that God will end Satan's rulership, Jaracz identified the coming world ruler as one who will be

loyal to God's sovereignty, namely Christ Jesus.

HE POINTED OUT that all prophecies undergoing fulfillment as to these last days indicate that Satan's world will soon end at Armageddon. Thereafter the promise at 2 Peter 3:13 describing a New Heavens and a New Earth where righteousness is to dwell will be realized.

L. E. Olliff, presiding minister of Jehovah's Witnesses in this area, reported that 43 were baptized in symbol of their dedication to God's will and would take up the ministry.
